WILDCATS

1959

WE PROUDLY DEDICATE.....

TO OUR PARENTS

Without the sacrifices, and the untiring love and encouragement given us by our parents we would have given up many times when the going got rough.

We are indeed grateful to them and know that our happiness in graduating from high school, is really the only reward they want or expect.

Mom's and Dad's presence at our school plays and games, gave us pride and added so much to our spirit. It made us reach out and try a little harder to do better than we felt possible.
